Lightweight

Heavy Duty

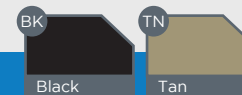

The Dual Initiator Coupler Kit streamlines breaching and explosive use with worry free initiator pairing and alignment. The Coupler Kit holds two dual purpose M81 igniters for use with shock tube or M700 timed fuses aligned so that both firing pins can be pulled at once if needed.

The Coupler Kit uses two injection molded halves secured by a section of ONE-WRAP that can be reused over and over again.

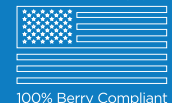

Weight	22g
Part #	XB-DICK-01-XX
